Office of
the Minister

107 Legislative Building
Edmonton, Alberta, Canada

The 1981 Jeux Canada Summer Games, held in Thunder Bay, Ontario from August 9 - 22, are now part of Canada's sport history. The success of the Games, along with the spirit and pride shown by the host community of Thunder Bay, added that very special finishing touch to a job well done.

For many of Team Alberta's athletes, this may have been their first major exposure to competition at this level. I hope this experience will assist them, as well as all of the athletes present, in pursuing excellence in their sport.

Team Alberta should be proud of its performance. Athletes in many sports achieved personal records, which speaks well for their dedication and hard work.

I would like to take this opportunity to wish you well in your continued pursuit of excellence. I hope to be able to monitor your participation and achievement as it develops.

Sincerely yours,

Peter Trynchy,
Minister,
Recreation and Parks

Back row: Mike Szuch, Mike Ukrainetz, Keith Johnson, Paul Ukrainetz, Rud
Henderson (Coach)

Coach/Manager's Report

" I think the team did very well. I was quite happy, especially since our team is fairly young, and coaching for tournament archery is not readily available in Alberta. The sport isn't popular in the province yet, and the athletes are on their own most of the time. It takes a lot of dedication: they have to compete against themselves and train two or three hours a day."

Coach/Manager's Report

"We worked all year as a club team to get to the Canada Games, we worked hard, and it was good to reach our goal."

"The team hit well in several games, but left too many men stranded on base in two crucial games. I felt we held our own, and we had a super time."

Back row: Roger Poon, Karl Tilleman, Jack Lilja, John Hatch, Murray Hanna, John Rhodin

Coach/Manager's Report

"We're really proud of the way our players did -- we were the first Alberta basketball team to win a medal. That proves that the level of basketball in Alberta has been good."

"We attribute winning the bronze medal to the talents of our athletes and a team that was strong in every position. Prior to the Games, we spent only six days together. Had we trained for a month, we would probably have got the gold."

Back row: Andy MacDonald (Manager), Michael Lojczyk, Brian Meierhofer, Spencer Borg, John Bright, Ron Jewitt, Randy Heppell

Coach/Manager's Report

"We had a very young team compared to the other provinces. Our team was racing against teams two and three years older. I think they did very well considering their opposition, and the fact that canoeing isn't established yet in Alberta."

"They gained enormous experience at the Games, and saw what they had to do in the future."

Back row: Todd McNutt, Garry Altwasser, Chris Wilberg, George Neuman, Peter Toth

Coach/Manager's Report

"We don't have a base in women's cycling in Alberta yet, so our women's team has had very little experience. It takes a lot of self-motivation for women cyclists in Alberta to reach the point where they could use a coach."

"Our men's team really excelled. They hadn't worked together as a team, but were good in tactics. Nobody expected them to win and we were really underestimated by other teams. When we won, we were elated."

Coach/Manager's Report

"The Alberta team really improved its standing at the Games -- it placed fourth. Previous bests were seventh in 1977 and eighth in 1973."

"We had, overall, the youngest team at the Games, and two of our members had only been diving for less than a year. We had a very talented group and were one of only two provinces attempting the more difficult dives."

Coach/Manager's Report

"All the girls really enjoyed being at the Games and being part of such a large group of athletes. We were impressed by the organization and there was quite a lot of camaraderie with athletes from other provinces."

"We had quite a lot of depth on the team. Everybody who was there was strong, and I think those who had never played in that kind of event really gained a lot of experience."

Back row: Jason Donville, Jim Armstrong, Jeff Sims, Blair Thompson, Brian Wilson, Don Walker

Coach/Manager's Report

"The Canadian Lacrosse Association predicted we would place fifth, and we did. Basically, we wanted to play the best we could and play our style of game. Eastern teams like to play a fast running game, but we use a slower style with more ball control."

"To be at the Games was a great experience. We played against the best and we improved our game."

Back row: Tony Gordon, Rob Simpson, Harold Backer, Doug Fletcher, Brian Stredder, Parker Eberwein, Cal Faminow

Coach/Manager's Report

"We're quite pleased with the result (a bronze medal). We had a good group of fellows and good leadership. We considered our potential and relied on our good defence."

"After seeing what other provinces are doing, we need to completely reorganize when we get back to Alberta to keep up: re-evaluate our programs, develop long-range planning, and go into the junior high schools."

FINAL STANDINGS	POINTS

Sailing

From left, front row: Robert Haining (Manager), Bill Forsyth, Dave Dowhan,
Annette Henderson (Coach)

Back row: Linus Wooding, Richard Haley, Rick Stroppel

Coach/Manager's Report

"Our team had the talent, but we didn't have very much time in the boat to practise before the Games. We didn't even try Lightnings until May, because you can't find them in Alberta! The sailing conditions are quite different on the prairies from Thunder Bay. The wind shifts were different here, and there were more waves, but different from the kind in Alberta."

"We have never been in the medals before at the Games, so we were thrilled when we won a bronze (in Laser - Youth)."

Back row: Jodie Holder, Kent Fargey, Chris Odinga, Scott Fisher, Tony Kretzschmar, Aldo Esposito.

Coach/Manager's Report

"Our team was outstanding in the tournament. It was probably the best team, although in the end we lost the final game in the last few minutes. The team played magnificently, and was a real credit to soccer in Alberta -- particularly the way it's improved in the last few years."

"The tournament turned out to be an excellent, high standard one, and the organizers should be congratulated."

Back row: Keith Sauverwald, Randy Jevne, Darren Lintick, Scott Armstrong, Ron Supernault, Darrell Campbell

Coach/Manager's Report

"We played well, but had problems getting hits, and lost two of our games by 1-0 scores. We didn't have as high a standing as we would have liked, but it was good just to have the chance to be here."

"Competition was keen, and I was pleased with the team both on and off the field. They represented the province well."

Back row: Darryl Banman, Brent Desbrisay, Mark Brand, Jeff Sheehan, Brad Vander Elst, Martin Wray

Swimming

Coach/Manager's Report

"The competition was well-organized and the swimmers produced numerous best performances in most events, including three new Alberta records. We had an extremely encouraging medal count, and set eight new Games records. The men won most of the gold medals, and we narrowly lost out to Ontario for first place."

"The team displayed true sportsmanship and good behavior during the competition and in the village. It was a valuable and memorable experience for all of them."

Track and Field

Coach/Manager's Report

"We finished fourth--the same as we finished in 1977. We were hoping to finish third this year, but lost out in the field competitions. We don't have many specialists in Alberta in the throws and jumping events, and it shows up at the national level."

"The team worked hard, and we were the best in cheering. Watch out in '85!"

Coach/Manager's Report

"Goal tending was our strong point--our goalie, Diane Williams, was the best at the Games. Our team depended on a strong defence, and the other teams didn't get many shots on us. All the low-scoring games involved Alberta."

"We were pleased with the sportsmanship our team always showed. Our team is young and enthusiastic - we'll be back in '83."

Coach/Manager's Report

"We held our own and kept the same overall standing."

"I was pleased with the girls' performance particularly since it was only their second tournament for two of them. We had two personal bests, and came close to having three. The boys also did well considering they weren't used to Games conditions which include a shorter jumping ramp and a slower boat speed. We won the gold in men's tricks, however, despite a toe hold strap that broke just before the first run."
